America's Best WINGS

ABOUT US

Looking for something delicious that the whole family can agree on?

Since 2006 America's Best Wings has brought everyone to the table with a wide selection of favorites from seafood and salads to burgers and wraps and of course don't forget our many different flavors of Buffalo Wings!

Whether you come in for Buffalo Wings or one of our delectable desserts, you'll keep coming back for our generous portions, affordable prices and friendly service. So, the next time someone asks, "Where should we go to eat?", think fresh, affordable and delicious think America's Best Wings.

MISSION

Our mission is to provide fresh and high quality products at reasonable prices with friendly and great family restaurant service.

OUR MENU

We have many different flavors of America's Best Wings cooked fresh to order for taste and nutrition, but there's so much more to our menu. From fresh salads, hearty subs and burgers, to cajun-inspired grilled fish and shrimp, plus side orders and dessert, we have something for the whole family at a price that's sure to make you a regular.

** Menu and price may be slightly different from store to store.*

The collage includes a restaurant menu board with sections for 'SEAFOOD FISH COMBO', 'WHOLE WINGS', 'BURGERS', and 'SIDE ORDERS'. A smartphone displays the America's Best Wings app interface, showing a search bar, a list of items, and a 'DELIVERY' button. A plate of food is shown in the foreground, featuring a large burger, a bowl of rice, and a side of wings.

NUTRITION

We try our best to provide healthy food for our customers.
We have reduced fried items and increased grilled items in our menu, and we prefer fresh food ingredients and vegetables instead of frozen materials.

We cook our meals when ordered and we use fresh chicken.
Also, our menus do not contain trans-fat.

America's Best WINGS

Due to the economic crises, my family and I were in very difficult situation. However, after opening up American Best Wings and the business went well, I was able to provide financially for my children. Our dreams came true, and my family are very happy about it.

- Oxon Hill Store

While I was thinking about opening up a small business, I came across America's Best Wings. I have visited several sites to examine, and I have seen many customers who were happy with the food, so I decided to be part pf America's Best Wings. I am very pleased with the outcome now, and I would definitely recommend America's Best Wings to others.
